Dear Sir:

**Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office  
Action (37 CFR 1.181)**

Applicant received a Notice of Abandonment dated August 22, 2007 due to  
failure to reply to the Office Action of February 8, 2007.

However, Applicant never received the Office Action of February 8, 2007.

A search of the file jacket and docket records indicates that the Office Action was  
not received.

The latest correspondence received from the Patent Office was a Reply to Status Inquiry, dated December 8, 2006.

Applicant contends that the original Office Action was never received.

Attached is a copy of the docket record where the non received Office Action would have been entered had it been received and docketed.

In accordance with 37 CFR 1.181, Applicant petitions the Director to withdraw the Notice of Abandonment and remail the Office Action.

Should the Examiner wish to discuss the present patent application, he is invited to contact the undersigned at (514) 345-7955.

Respectfully submitted,

Dated: September 10, 2007

/Alex Nicolaescu/
